The Ninety Six Colored baseball team
Also known as the Ninety Six Blue
Jays.

My life time, 30's + 40's

When I first Remembered the team
Mr. Earnest Williams was the
manager, Uncle John Henry Baisy
[Zeke] Butler was the Captain, Uncle
Sylvester (Book) Woodman was the
scorer and book keeper, Mr. Charlie Mosely
was the umpire. They would play
Saturdays and Mondays, sometimes a
Double Header on saturdays, one that
afternoon and one that night, and
if we played mondays it ~~be at night.~~
would be at night.

Sometimes we would want to play at
home on saturdays and could not because
the whites or the Indians had a game
there. So we bought land on Little Mt.
Rd. for the 40's. They had a real good
team.

After Mr. Earnest Died Uncle Zeke
became playing mgr.

We traveled by bus, Cars, Trucks sometimes
for the 2nd nine.
